## **FAMILY HANDBOOK**

This Handbook has been compiled to answer many of the questions asked by parents, campers and LITs in preparation for camp.

## **MISSION STATEMENT**

To provide an inclusive environment where young people can play, explore, achieve and grow.

## **LAND ACKNOWLEDGEMENT**

We respectfully acknowledge that our camp site is located on the traditional territory of the Michi Saagiig, the Mississauga, and the Anishinaabeg (Curve Lake First Nations).

Summer camps in Ontario have long based much of their program on Indigenous practices and traditions. Often this was done without the recognition or appreciation of Indigenous communities and further perpetuated harmful stereotypes. It is important that we acknowledge and appreciate that currently we have many programming pieces at Onondaga Camp that are based on Indigenous practices, traditions, and technologies.

“Onondaga,” comes from one of the original nations of the Haudenosaunee Confederacy. Onondaga Camp got its name because it was originally located on Lake Erie, near Port Credit, which is a traditional territory of the Haudenosaunee. The camp moved to its current location on Middle Bob Lake in 1930 and kept the name Onondaga Camp.

As an organization, Onondaga Camp is committed to deepening our understanding and acknowledge our responsibility to reconciliation.

## DIVERSITY AND INCLUSION

Racism and intolerance go against everything Onondaga Camp is about. We are committed to the work that we need to do to stay true to our mission statement.

We must seek to better understand the inequalities that Black, Indigenous and people of colour face in a summer camp setting. It is only from there that we will be able to put into place actionable plans to make positive changes.

Camp is a place where everyone should feel welcomed and celebrated for who they are and we continue to take the steps needed to ensure just that.

## GENDER POLICY

Onondaga Camp's approach to gender inclusion is informed by our mission statement.

Onondaga Camp welcomes campers, LITs and staff of all gender identities and expressions—cisgender, transgender, nonbinary, agender and genderqueer. As a camp, we seek to promote equity and foster inclusion by providing the support needed to help our 2SLGBTQIA+ campers, LITs and staff thrive while at Onondaga Camp.

To that end, we are committed to working with campers, their families and staff to understand their needs and accommodating them to the best of our abilities. We are also committed to providing the necessary training to our staff.

## THE ONONDAGA CAMP PHILOSOPHY

In all our programs, we encourage campers to become more confident in themselves and comfortable with others in a safe and energetic environment. We credit our success to our terrific staff – the majority of whom are former campers and have participated in our two-year leadership program. We train them to guide campers to realize their potential and to get the most from their camp experience. Our ratio of one staff person to every three campers enables us to offer that extra measure of time, instruction, and personal support.

Our roots are in Ontario, but Onondaga Camp has always been lucky to welcome international campers and staff from all over the world. We all benefit from this friendly exchange of different people, cultures, and ideas.

At Onondaga Camp, we deeply honour and value the past. However, it's equally important to be in touch with the changing interests and attitudes of today's youth. Our ultimate goal remains the same: to help campers discover the opportunities, experiences and friendships to make Onondaga Camp the experience of a lifetime.

## CAMP FORMS

1. Camper Health History
2. Swimming Profile
3. Additional Camper Information
4. Tuck Shop Permission
5. Summer Policies & Expectations Form
6. Canoe Trip Form (April 1st deadline)

Please complete all forms by June 1, 2025. Please note that we will be unable to accept clothing pre-orders after the June 1st deadline. Thank you for completing your forms promptly!

## CAMPER SECTIONS

Campers are divided into 'sections' during their stay at Onondaga Camp. There is a Section Head in charge of each section and counsellors who are responsible for the cabin or tent groups that make up the sections.

Jincis: Ages 6 to 10 (2015 to 2019)

Bantams: Ages 11 & 12 (2013 to 2014)

Inters: Age 13 (2012)

Seniors: Age 14 (2011)

Super Seniors: Age 15 (2010)

Ages are based on year of birth. For example, a camper born in November of 2014 would be in the Bantam section even though they turn 11 after the summer.

## SESSION DATES

	SESSION START DATE	END DATE
A	Friday, June 27	Wednesday, July 23
A1	Friday, June 27	Thursday, July 10
A2	Thursday, July 10	Wednesday, July 23
B	Sunday, July 27	Friday, August 22
B1	Sunday, July 27	Saturday, August 9
B2	Saturday, August 9	Friday, August 22
C	Saturday, August 23	Friday, August 29

## DAILY ROUTINE

7:45 Wake up  
8:00 Breakfast  
8:45 Cabin clean up / inspection  
9:15 Period 1  
10:30 Period 2  
11:35 Period 3  
12:30 Free time  
12:45 Lunch  
1:30 Rest hour  
2:40 Period 4  
3:45 Period 5  
4:40 Free time  
6:00 Dinner  
7:00 Evening activity

## LIGHTS OUT

Jincis (Ages 6 to 10)	9:00pm
Bantams (Ages 11 & 12)	9:15pm
Inters (Age 13)	9:30pm
Seniors (Age 14)	10:00pm
Super Seniors (Age 15)	10:00pm

## PREPARING YOUR CHILD FOR CAMP

It is quite normal for a first time camper, and sometimes a returning camper, to miss home or to become “homesick”. Our counsellors are trained to deal with this, but as parents you can help prepare your child for their stay at camp.

A camp experience may be intimidating for a first time camper. Quite often, children are unsure what the camp experience will be like. For instance, campers may not be sure if their cabin group will like them, if they will like their cabin group, or if they will like the camp activities.

It is only natural that a new camper may be apprehensive. It is important for campers to have as much information as possible about camp as it helps them adjust quickly to camp life. We encourage you to attend one of our family information events; please see our website or call the office for details and dates or schedule a virtual home visit or call with a director.

As parents you can help ensure that your child has a successful time at camp by staying positive and excited about their upcoming experience. Even if you are feeling nervous, it is important to provide encouraging support for your child. Consider involving your child in getting ready for camp (picking out and labeling

their belongings, collecting addresses for letters from family and friends etc.). Talk to your child about what they can expect at camp; review the camper handbook with them and go over the website.

Please do not tell your camper that you will come and get them if they are unhappy as you will be discouraging them from trying to deal with their feelings of missing home. Instead, tell them how much you are looking forward to hearing all about their adventures, the new friends they will make, and all of the amazing activities.

If you feel like you or your camper would benefit from more support leading up to camp, please contact our Assistant Director, Gen, by email ([gen@onondagacamp.com](mailto:gen@onondagacamp.com)) or by calling our office (416.482.0782).

## ACTIVITY SIGN UP AND ROTATION

Jinci campers (ages 6-10) visit activities on a rotation schedule. They go to three activities in the morning and two in the afternoon accompanied by their cabin group and a Leader in Trainings or counsellor. This allows them to visit every activity at least twice during a two week stay at camp, and at least four times during a month long stay. There are a few activities which are for campers ages 11 and older only: Giant Swing, Challenge Course, Crossbow, Mountain Biking, Windsurfing, and Yoga.

Our Bantams, Inters, Seniors and Super Seniors sign up for activities on a daily basis. Sign-up is done at breakfast each day for the following three morning periods and at dinner for the two afternoon activity periods. Sign-up is rotated to allow equal opportunity for activity sign up. Campers can find the activities they have signed up for posted on the kiosk outside of the Dining Hall and around camp. Campers go to activities with other campers from any of these sections; it is a great way for them to meet different campers every day!

## SWIMMING

Each camper who is enrolled in a 2- or 4-week session will participate in a 50-minute period of swimming lessons each day. Our lessons range from the Lifesaving Society's Swim for Life Program Level 1 to National Lifeguard certification for our leaders-in-training.

## CANOE TRIPS

Tripping is a wonderful part of camp and, although a canoe trip is optional for our campers, as a traditional summer camp we truly believe that the canoe trip is something that all campers should experience.

Many campers look forward to the opportunity to get to see some of Ontario's great outdoors while being in the company of their friends as well as amazing staff. We are fortunate to run our canoe trips in the Leslie Frost Centre, Algonquin Park and Temagami, and Queen Elizabeth Wetlands. Trips typically have 7 campers (all the same age) and are lead by one of our fantastic canoe trippers and a counsellor.

### JINCIS AGE 9 & UNDER

No canoe trip

### JINCIS AGE 10

1 night on surrounding lakes (all 10 yr old campers participate with their cabin group)

### BANTAMS AGE 11 & 12

3 day trip in Leslie Frost Centre (optional) **sign up required**

### INTERS AGE 13

4 day canoe trip in Algonquin Park (optional) **sign up required**

### SENIORS, SUPER SENIORS AGES 14 & 15

Two week campers: 4 day trip in Algonquin Park (optional) **sign up required**

Four week campers: 4 or 7 day trip in Algonquin Park (optional) **sign up required**

Canoe trip sign up was available from October to April 1st. If you have forgotten which option you selected you can login to your account to check or get in touch with the camp office by email ([camp@onondagacamp.com](mailto:camp@onondagacamp.com)) or phone (416.482.0782). Please note that canoe trips are not offered in 'C' session. 'Age' refers to the age that a camper will be by December 31, 2025.

Please note that Onondaga Camp reserves the right to cancel canoe trips if the enrolment numbers are too low. This situation happens infrequently and parents will be notified right away if a trip is being cancelled.

**Important Note regarding Duke of Edinburgh Award.** Onondaga Camp is pleased to support campers in pursuit of Duke of Edinburgh awards. Please note that any paperwork required by the camp must be provided before a camper's session so that the staff member leading the canoe trip can complete the necessary documentation. In instances where paperwork is received after a camper's session, the camp will do its best to have it completed although it can be difficult to obtain staff signatures in these cases.

## COMMUNICATION FROM CAMP

We work very hard to balance communicating with families while leading activities and getting to know the campers. Here are the times that you can expect to hear from us.

- If you have a camper joining us for the first time this summer, you can expect a call from us in the first few days of the session to provide you with an update on how your child is settling in.
- If you have a camper who is returning to Onondaga Camp, you can expect a call from us before the end of the first week of the session to provide you with an update on how your child is settling in.
- All camper families can expect to receive an email from us during their campers' stay with a general update about camp life and some sectional photos.
- We do our best to post photos regularly on our photo platform (Bunk1). More information regarding this will be shared prior to camp.

If you would like an update from your camper's Section Head at any other time, please call and leave a message for them at the camp office (705.286.1030) and they will get in touch with you as soon as possible; usually within 12 hours or less.

It is important to note that highspeed internet is not available at Onondaga Camp. Please keep in mind that with over 350 campers attending our sessions, and limited internet capabilities, it is not possible to post pictures of every camper in every session. However, every effort will be made to post pictures regularly.

## EMAIL

### EMAIL SYSTEM

Emails may be sent to campers through our one-way email system (Bunk1). Emails will be printed off and delivered to campers within 48 hours. Please keep in mind that printed emails are not put in envelopes and may be viewed by staff in the course of their delivery, therefore messages should not include any sensitive or confidential information. Please note that campers do not have access to the internet and therefore cannot respond by email.

You will receive an email from us before camp with instructions and a link to our email system.

## MAIL

Campers do appreciate mail and parents are encouraged to write often when their child is at camp. In turn, we do our best to encourage campers to write a letter home.

Please address mail to:

Camper's Name & Section  
c/o Onondaga Camp  
1120 Rackety Trail, R.R. #3  
Minden, Ontario  
KOM 2K0

As the camp is located on a rural route, the mail to and from camp tends to take significantly longer than in major mailing centres. We recommend sending mail at least a week in advance. If your child is taking the bus, please feel free to give letters to the staff on the bus, or you may wish to leave a letter, or two, with the camp office when you bring your child to camp.

Should you receive an 'upset' letter from your child, please do not be alarmed. Most often these letters are written before your child has settled in. Usually, by the time you get the letter, everything is fine. However, please call the camp office and we will have the Section Head call you with an update.

## CARE PACKAGES

Please only send 1 care package per camper, as we do not have the capacity to store a large quantity at our office, and package distribution is disruptive to our program. It can also be upsetting to other campers who do not receive any packages. Care packages are wonderful things to receive at camp, however, due to food allergies and animals, they must be comprised of articles other than food. Some suggestions include: books, magazines, games, toys or clothing. Please note that all campers will be asked to open their packages in the camp office and any food items will be disposed of. We appreciate your cooperation.

## CAMP CLOTHING

Camp t-shirts, sweatshirts and other clothing are available from the camp Tuck Shop. Clothing ordered in the spring will be sent to your home prior to the camp session. If you wish to purchase clothing for your child, please complete the clothing preorder form. **In order to ensure availability of your child's size, we strongly recommend that you pre-order clothing, especially for those campers attending camp in August.** Clothing may also be purchased during camp from the Onondaga Camp Tuck Shop, but please note that the camp will not permit any camper to purchase clothing items unless we have a completed Tuck Permission Form with a parent's signature. The cost of the clothing will be charged to each camper's Tuck account.

## BUNK LOTTERY

Onondaga Camp uses a Bunk Lottery system to assign campers to the beds in each cabin/tent. We use the Bunk Lottery in order to make the process of choosing a bed fair for all campers since not everyone arrives at camp at the same time (some campers fly long distances and arrive late in the evening). With the bunk lottery each camper, upon arrival at camp, will pick a number from a “hat” which corresponds to a specific bed in their assigned cabin/tent.

## ARRIVAL AND DEPARTURE INFORMATION

No matter how your camper(s) will be arriving at Onondaga Camp, we ask that you respect the arrival and departure times below as they will help to ensure a smooth arrival/departure for you and our other families.

### CAR

Cost:	N/A
Location:	Onondaga Camp
Arrival Day:	Please arrive at camp between 2pm & 4pm.
Departure Day:	Please pick up campers between 9am & 10:30am.

### BUS

Cost:	\$95.00 + HST (each way)
Location:	36 Curity Avenue, East York, Ontario M4B 0A2
Arrival Day:	Please look for the white Onondaga Camp Tent. Buses will depart at 2pm sharp. Please have your camper at the bus by 1:30pm.
Departure Day:	Buses will arrive in Toronto between 12 and 12:30pm.

### TRAIN

Cost:	\$150.00 + HST (each way)
Location:	Union Station
Arrival Day:	Trains must arrive in Toronto between 12pm & 4pm.
Departure Day:	Trains must depart from Toronto between 12pm & 4pm.

### AIRPORT

Cost:	\$150.00 + HST (each way)
Location:	Pearson International Airport
Arrival Day:	Flights must arrive in Toronto between 11am & 7pm.
Departure Day:	Flights must depart from Toronto between 11am & 7pm.

## BUS PICK UP AND DROP OFF

36 Curity Avenue  
East York, Ontario  
M4B 0A2

### MAJOR INTERSECTION:

Don Valley Parkway and Eglinton Avenue East; off of Bermondsey Road.

Please look for the Onondaga Camp tent.

## TRAIN STATION AND AIRPORT PICK UP & DROP OFF

Campers arriving in Toronto by train or airplane will be met by an Onondaga Camp staff member wearing their red Onondaga Camp staff shirt. Campers will travel to camp, with a staff member, either on a chartered bus or in a camp van. On departure days, our staff will ensure that campers are checked in at the train station or airport. Any special arrangements must be made at least one month in advance.

For safety reasons in the airport, we ask that you register all campers travelling without an adult as 'unaccompanied minor's' with the airlines.

Copies of the train or plane tickets **MUST** be given to the camp office when arranging transportation. To prevent loss, campers must deposit their travel documents, identification and any money at the camp office upon their arrival at camp.

## CAMP ADDRESS

1120 Rackety Trail Road  
Minden, Ontario  
K0M 2K0

## VISITING THE CAMP

### ONE & TWO WEEK CAMPERS

One- and two-week campers are not allowed visitors because of the short length of their session. Most campers take a bit of time to settle into the camp routine and a visit from parents during these shorter sessions may disrupt the camper's enjoyment of camp. We very much appreciate your cooperation with this.

### FOUR WEEK CAMPERS

As not all families are able to visit, we do not have a specific visitor's day, nor do we put on special programs for visitors. You are welcome to come and visit your camper during their stay. We would ask that visits take place between 12:30 pm and 2:30 pm. Campers should be back to participate in activities starting at 2:40 pm. Please call prior to your visit so we may ensure that your child will be in camp and not on a canoe trip.

If you wish to take your child out of camp while visiting, please check out and in with the camp office. Those wishing to take other campers out of camp with their child may do so only if Onondaga Camp has written authorization from the other camper's family. **Please note that no food may be brought into camp while visiting your camper. Any food brought into camp will be confiscated.**

## TUCK SHOP

The Tuck Shop has everything your camper needs! It sells clothing, batteries, stamps, flashlights, toothbrushes, candy and more. Campers can go to the tuck shop if they need a necessity like soap, shampoo, toothpaste, etc.. Campers/LITs will have the chance to go to the Tuck Shop a couple times a week to get candy or pop. Campers will be able to get two items; such as a Ring Pop, bag of chips, Kit Kat, Aero, Sour Cherry Blasters, Skittles, Ginger Ale or Coca Cola.

## TUCK SHOP POLICY

A signed copy of the "Tuck Permission" form must be on file in order for a camper to purchase clothing in the Tuck Shop (all food items are included in camp fees). A credit card number must be supplied on this form for it to be considered valid. All Tuck Shop purchases will be charged to the credit card on file in September. A Statement of Account detailing all Tuck Shop purchases will be emailed out in the fall.

Money is not required at camp and cannot be spent. Parents should not give their children spending money for camp. Parents wishing to give their children traveling money should make sure that the child deposits it with the camp office when they arrive at Onondaga Camp, to be picked up prior to departure. This will avoid any possible loss.

## LAUNDRY AND LOST & FOUND

Campers' clothes are laundered once every two weeks at a commercial laundry facility. It is important that parents affix name tags on all clothing to help ensure no mix-ups take place. The cost of this laundry service is included in the camp fee. Our laundry is not equipped to do any hand-washing. Therefore, clothing that might require hand-washing should not be brought to camp.

Every effort will be made to return lost & found items to campers. Please ensure that your camper's belongings are labeled with both their first and last name. Please note that any items which are not claimed by October 1st will be donated.

## SUN AT CAMP

At Onondaga Camp, the safety of our campers is our first priority. As part of our ongoing risk management program, Onondaga Camp has a sun safety policy to help protect our campers while enjoying time outside. Onondaga Camp has also received the "Sun Aware Certification" from the Melanoma Network of Canada in recognition for our efforts and success in Sun Safety.

We encourage parents to talk to campers about the risks of overexposure to sun and the importance of wearing sunscreen, hats and sunglasses.

Our staff will participate in training regarding sun safety before campers arrive. Announcements will be made regularly reminding campers to wear hats, apply sunscreen and drink water. Sunscreen (SPF 30) will be available at all of our activities and campers will be reminded to reapply throughout the day. Hats are required at activities taking place on the water.

## IMPETIGO

Impetigo is a contagious skin infection that usually produces blisters or sores on the face, neck, hands, and groin area. It is one of the most common skin infections among children. It is often associated with insect bites and cuts. Our staff are trained to help prevent impetigo by promoting good hygiene practices and by making sure that campers are seen in our health centre if any health issues arise during their stay.

Please be aware that impetigo can spread and worsen quite quickly (by scratching and touching other parts of the body or by coming into contact with infected skin or items that have been touched by infected skin eg. towels, clothing). With an incubation period of 1 to 3 days it is possible that if a camper were to contract it at the end of their stay, we may be unaware of the infection when they return home. Should you discover any symptoms in the first few days of your camper's return, please be sure to see your family physician right away. Impetigo can usually be treated with antibiotic ointment (when it just affects a small area of the skin). If the infection has spread to other areas of the body, or the ointment isn't working, the doctor may prescribe an oral antibiotic.

## TICKS AT CAMP

Onondaga Camp is located in an area that is currently at low risk for ticks. We work closely with the local health unit to understand the current risk each summer. As Lyme Disease continues to become prevalent in Ontario, our staff members are educated about how to minimize the risk of ticks, to recognize ticks and how to remove them safely. Staff are also educated about Lyme Disease signs and symptoms. On their first night of camp, campers are taught how to recognize ticks, where ticks are most commonly found on a person, how to check themselves and what to do if they think they have a tick. For a copy of our full Tick Policy please contact the camp office ([camp@onondagacamp.com](mailto:camp@onondagacamp.com) or 416.482.0782).

## MOSQUITOES AT CAMP

Onondaga Camp has an integrated mosquito management program to help reduce mosquito bites.

### PREPARING YOUR CHILD FOR CAMP

We encourage parents to take the following steps:

- Pack long sleeved t-shirts and long pants for early morning and evening.
- Send your camper with a proper mosquito repellent (for campers under the age of 12 a repellent with less than 10% deet is recommended, for campers over the age of 12 a repellent with less than 30% deet is recommended).
- Discuss with your camper(s) the proper application of repellent and times when they should wear long-sleeved shirts and pants.
- Mosquito netting is recommended for those campers (aged 12 and older) who will be staying in a tent. It is available at Mountain Equipment Co-op, Canadian Tire and other Outfitting stores, and our Tuck Shop.

### PROTECTING YOUR CHILD AT CAMP

- Our staff will receive training regarding appropriate clothing & repellent.
- Insect repellent will be readily available at activities, and on canoe trips and will also be sold in our Tuck Shop.
- The integrity of screens in cabins will be monitored.
- We will also be selling Mosquito Nets in the Tuck Shop.
- To reduce potential mosquito breeding areas we will reduce and/or eliminate, where appropriate, standing water locations.

## HEALTH HISTORY

The camp office must receive a completed health history form for every camper at least one month prior to the arrival of the camper. The health history tells us how to contact you in the event of an emergency or accident, what medications your child may need to take, and what allergic reactions they suffer from. It is essential that we are informed of any food allergies as early as possible. If your child has an allergy, a special form needs to be filled out. If you would like a paper copy please contact the Toronto Office ([camp@onondagacamp.com](mailto:camp@onondagacamp.com)).

Please note that a medical examination specifically for camp with a doctor's certification is not mandatory. However, the name and telephone number of your family doctor is required information on the medical form and we do recommend that you try to schedule your child's annual medical check-up as close to camp as possible.

Please be careful to ensure that the health history is completely filled out in detail and submitted. If you wish to send any additional information regarding your child's health, please do not hesitate to send a letter/email along with your child's health history. If there are any changes in your child's health, please be sure to notify the camp office in writing as soon as possible.

## MEDICATION

All medication (including vitamins and supplements) that campers are required to take during their stay must be listed on the health history form. All medication except asthma inhalers, epi-pens and Allerjects, must be kept in the health centre and will be dispensed at the required times by our health centre staff.

**Medication must be in its original container and clearly labeled with your camper's first and last name in order for our Health Centre team to administer.**

If you are driving your camper to camp, a member of the Health Centre team will be available to collect medication. If your camper is taking the camp bus please make sure the medication is labeled and give it to one of our Assistant Directors and they will ensure it is given to the health centre. Campers arriving by plane or train should give their medication to the staff member meeting them at the airport or train station.

## HEAD LICE

It is the responsibility of the parents to ensure that campers do not come to camp with head lice. The campers are checked for head lice within the first 24 hours of their arrival. Please note that a professional company will be used to treat any campers found to have lice/nits at a cost to be charged to the camper's account (average cost is \$300). Onondaga Camp reserves the right to send a child home if they have head lice.

## COVID-19

The safety and well-being of our camp community remains our number one priority. Certain protocols and policies may be in place to help minimize the spread of COVID-19 in our camp community.

Onondaga Camp strongly recommends that all participants in our programs, including campers, LITs and Staff be vaccinated against Covid-19 including any booster doses as recommended by the Ontario Ministry of Health.

## PERSONAL PROPERTY

It is very important, when living with others, that campers respect each other's property. We do our best to make sure campers look after their property. Parents must label all their children's clothing and equipment. Please do not send campers to camp with expensive or inappropriate items.

Onondaga Camp regrets that it cannot be responsible for any money not in its safekeeping or for any personal clothing or equipment lost, stolen, damaged or misplaced while at camp.

## CAMP POLICIES

Please review the following policies with your camper before they go to camp.

---

### ALCOHOL AND DRUGS

No camper or LIT may possess or consume any alcoholic beverages on camp property or while in the camp's charge. No camper or LIT may possess or use non-medicinal drugs, including cannabis, on the camp property or while in the camp's charge. Any camper or LIT found breaking these regulations will be dismissed. Any portion of unused camp fees will not be refunded.

### SMOKING, VAPING AND TOBACCO PRODUCTS

Any camper found using vaporizers, tobacco products or nicotine products will be dismissed at the discretion of the Camp Director. Any portion of unused camp fees will not be refunded.

### KNIVES

Knives, including Swiss Army knives, are not permitted at camp.

## TENTS AND CABINS

Campers and LITs are to stay in their cabin or tent after lights out, except to use the washroom facilities. It's important for safety that we know where campers are and that they are not roaming at night. We take this seriously. Any camper or LIT found out of their cabin or tent after lights out may, at the discretion of the Director, be dismissed from camp.

## SOCIAL MEDIA

Campers often stay in touch outside of camp by using things such as Instagram, Tik Tok, Facebook, and Snapchat. Please be aware that the groups formed other than the official Onondaga Camp pages are done so without the consent or supervision of Onondaga Camp. Therefore we ask parents to be vigilant about what social media their campers use.

The use of the camp logo or photographs is not allowed on any social networking websites without written permission from Onondaga Camp.

## FOOD POLICY

In recent years, because of their attraction to food, we have witnessed an increased incidence of raccoons and other small animals entering cabins and tents at Onondaga Camp. Although these animals do not represent an immediate threat to the safety of campers, they are disruptive and can cause quite a mess. A number of our campers also have food allergies and it is for this reason that we request that parents do not send any food with their children to camp or send any food to them during their stay at camp. If campers do possess food in their tents or cabins, unfortunately, counsellors will be placed in the difficult, and unfair position of having to remove it.

We do hope to receive full support from our families with this policy. Families are reminded that campers receive three meals a day and a snack before bed. There is also a bowl of fruit out all day for campers to eat. In addition, they have the opportunity to visit the Tuck Shop a couple of times a week where they can obtain treats such as pop, chips, and chocolate.

## NUT ALLERGIES

Please be advised that Onondaga Camp is not a nut free environment. While we do not serve peanut products in the dining hall, we are unable to ensure that all food served in the dining hall, items sold in the tuck shop or items brought into the camp do not contain nuts. If your camper has a nut allergy, please contact the camp office. Campers with nut allergies attending camp do so at their own risk.

## CELLPHONES AND OTHER ELECTRONICS

Camp is one of the last places in the world where children can experience life “unplugged.” At Onondaga Camp we want campers to enjoy the outdoors and nature without the distraction of screens. Camp provides an opportunity for campers to leave those items behind and focus on having fun through making connections with new friends and experiencing new things in an active environment.

One of the greatest impacts that camp can have on your child is increased self-confidence and self-dependence. A large part of this comes from campers being away from home for a short period. Having a cell phone at camp greatly detracts from this.

With the above comments in mind, we ask that you support us with regards to our Electronics and Cell Phone Policies listed below. Campers are not to bring any cell phones, tablets, or other items requiring electrical power to camp.

- We recommend disposable cameras or an inexpensive digital camera.
- Cell phones and other electronics are not allowed at camp.

PLEASE  
NOTE

**If these items are brought to camp, they will be confiscated and shipped back home at the expense of your family. The cost associated with this is \$100.**

## HARASSMENT POLICY

Onondaga Camp is a place that welcomes people for who they are. We want all campers, LITs and staff to feel like they belong and have a place. We strive to make time spent at Onondaga Camp an incredible experience for everyone.

Bullying is not accepted in our environment. Onondaga Camp has been training its staff for years on how to recognize and deal with bullying in a camp setting. It has however, in our opinion, become necessary to detail an official Harassment Policy. Please review the following with your child and make them aware of the expectations Onondaga Camp has of them with regards to this issue. Onondaga Camp is fully committed to respecting and protecting the personal dignity and human rights of our campers, LITs and staff members. Campers, LITs and staff members have the right to enjoy the camping experience and work in an atmosphere that is free of any form of harassment or intimidation. The camp, staff members, LITs and the campers all share a responsibility for ensuring that such an environment exists at all times.

Harassment includes words, acts or gestures of a malicious, hateful, abusive or irritating nature, or the like, with regard to a person or group of persons that is known or ought reasonably to be known to be unwelcome. Harassment also includes, without limitation, what is commonly referred to as bullying and

vexatious words, acts and gestures against a person or group of persons on the basis of any of the following:

Academic Ability	Disability/Handicap	Family Status
Language	Religion	Age
Civil Status	Sex	Citizenship
Physical Appearance	Political Convictions	Race
Sexual Orientation	Colour	Place of Origin
Gender Identity		

Harassment can be a single incident or a series of incidents.

Campers, LITs or staff members found in violation of any of the above will be liable for:

- (i) a formal apology;
- (ii) a re-affirmation of the commitment to the camp (suspension); or
- (iii) expulsion; at the Director's discretion depending on the nature of the harassment.

In addition to any sanction imposed by the camp, staff members who engage in harassment could face sanctions imposed under the Ontario Human Rights Code.

We hope that this booklet has been useful. If you have any suggestions for its improvement for future years, please help by letting us know. If there are still any unanswered questions, please call the Toronto Office at 416.482.0782 or email [camp@onondagacamp.com](mailto:camp@onondagacamp.com).

**We look forward to having your  
child join us this summer  
for a great camping experience!**
